

GRENVO PROTEUS GL-5, 80W-90 & 85W-140

GRENVO PROTEUS GL-5, 80W-90 & 85W-140 are high performance, heavy duty gear lubricants formulated from high performance base oils and an advanced additive system. These lubricants are engineered for automotive applications including heavy duty axles and final drives where extreme pressures and shock loading are expected. They provide excellent performance where API GL-5 service is required.

Approvals & Recommendations

API GL-5

SAE: 85W-90, 85W-140

Features/Benefits

Exceptional thermal stability and resistance to high temperature oxidation.

Outstanding protection against low speed/high torque wear and against high speed scoring

Excellent rust and corrosion protection

Compatible with typical automotive seals and gaskets

Application

Heavy duty axles and final drives requiring API GL-5 level performance.

Passenger cars, on highway light and heavy-duty trucks and commercial vehicles
